## Summary

---

Detail-oriented Information Technology undergraduate with hands-on experience in frontend development and web application design. Proficient in building responsive, user-friendly interfaces using React.js, HTML, CSS, and JavaScript. Strong understanding of REST API integration, Git-based version control, and component-based architecture, with a focus on performance optimization, debugging, and clean UI/UX design.

## Education

---

<b>Parul University (PIET)</b> <i>B.Tech. in Information Technology, CGPA: 7.00/10</i>	<b>Vadodara</b> 2022 – 2026
<b>Imperial Science School</b> <i>12th – GSEB, Percentage: 77.33%</i>	<b>Dhoraji</b> 2021 – 2022
<b>Shreeji School</b> <i>10th – GSEB, Percentage: 75.16%</i>	<b>Jetpur</b> 2019 – 2020

## Technical Skills

---

**Frontend:** HTML, CSS, JavaScript, React.js, Tailwind CSS

**APIs:** REST API Integration, JSON, API Consumption

**Tools:** Git, GitHub

**Programming:** Python, Java

**Web Concepts:** Responsive Design, UI/UX Principles, Component-Based Architecture

**Additional:** DOM Manipulation, Debugging, SDLC

## Projects

---

### Courseapp | Full-Stack Course Marketplace

- Developed a scalable MERN-stack platform for managing online courses with secure JWT-based authentication and admin access controls.
- Engineered a RESTful API with Mongoose to handle complex CRUD operations for course catalogs, user profiles, and enrollment data.
- Integrated Cloudinary for optimized media handling and utilized Zod for robust server-side data validation and error handling.

### Glow & Groom:

- Developed a responsive salon booking web application using React.js and Tailwind CSS
- Implemented user authentication and dark/light theme switching
- Applied component-based architecture to improve performance, scalability, and maintainability

### Expense Tracker:

- Built a web-based expense tracking system using HTML, CSS, and JavaScript
- Implemented data visualization using Chart.js for financial insights
- Stored and managed user data using browser LocalStorage

## Strengths

---

Problem-solving, effective communication, teamwork, time management, adaptability
